Ginny, looks like I missed my review window, but a quick pass has it looking pretty comprehensive. I'll go through the final version in more detail before Thursday's meeting - Steve

Steve-

I intend to send comments back to DEP by no later than 11am today. If you have time to give this a quick review, please do and let me know if you have any concerns.

I think this is really good and only have the minor comments incorporated in the attached. I want to reply to Gerard asap so we don't hold this up. Please get me your input first thing Tuesday morning. Thanks.

Hi all,

Attached please find the first draft of the Phase III Letter. I have not looked at it yet, but in the interest of time I thought I would provide it to you to see if you have any comments. I will be reviewing tomorrow and am hoping to send by the end of the day. If you have any comments, please let me know as soon as possible so I can address them.

Thank you,

Gerard

Hi there,

Attached is a clean version of the latest draft. In the attached version I accepted all redline edits and deleted all comments in the margin so EPA and Paul can review in peace. However, the version saved in Angela's Doc Prep Folder still shows all the redline edits and comments.
